Douglas Aircraft Company, Torrance, CA
Manifest # AR-1060899

This is to certify that 1 container(s) were received on Line B and the RCRA empty container(s) have been sold as 50 pounds of scrap metal for recycling. The remaining containers not recycled were thermally treated

All Scrap metal is sent to one of the following scrap metal broker
Sol Alman Comany
1300 East 9th Street
Little Rock, AR 72202

A. Tenebaum Company, Inc.
P.O. Box 15128 GMF
North Little Rock, AR 72202

Date: 11/17/1999

By:

Ken Carle, Vice President

1. Rineco ensures that each container is "empty" by the relevant Resource Conservation and Recovery Act and Hazardous Waste Management Code Regulatory standards prior to processing.
2. Rineco manages residue (ash) from the Container Decontamination Unit into waste derived fuel for ultimate destruction through energy recovery at cement kilns.
3. Weights are based on industry estimates of an average of 50 lbs. per 55 gallon steel drum.
4. The scrap metal is typically shredded, bundled, or otherwise processed by the scrap metal brokers in a manner to facilitate use by manufacturing facilities as a raw material in their processes.
